## About us:

**Architectural Imagery** is a New York based design & visualization services company specializing in 3D Architectural Rendering & digital content suited to the needs of Architects, Interior Designers, Real Estate, Construction, & Legal professionals. Forged from a synthesis of over 13 years of experience in the arts, architecture, photography, & the latest digital technology, Architectural Imagery offers a range of creative high-quality solutions committed to effectively communicating & showcasing your unique design, development, or marketing goals.

*Contact us & bring your Vision to Visualization...*

### Services:

#### •Photorealistic Architectural Renderings

Interior & Exterior visualizations for Commercial / Residential / Institutional projects

#### •3D Floor Plans / 3D Cross-Sections

Full color plans with accurate finishes & furnishings

#### •3D Construction Detailing

Illustrate complex detail elements

#### •3D Schematic Design & Site Massing Models

Validate conceptual designs & evaluate impact on site context

#### •Space Planning / Interior Furnishings

Explore planning options with fixtures & furnishings

#### •Color & Material Selection Studies

Experiment with color & finish options

#### •Lighting Analysis

LEED certified daylight system & physically accurate day/night interior lighting simulations

#### •Animations / Walk-thru or Aerial Fly-by

Experience a realistic first-hand virtual tour

#### •Virtual Reality 360° Panoramas

Fully interactive & immersive perspective view

#### •Architectural Accident-site Re-creation

Convincing visual courtroom presentations

### Clients:

#### •Architects / Interior Designers

Analyze, explore, & effectively illustrate your design vision from concept to completion

#### •Real Estate Brokers / Developers / Property Managers

Attract investors, increase sales, & maximize the full potential of your property with a compelling marketing presentation

#### •Contractors / Construction Professionals

Avoid costly miscommunication by clearly conveying any construction project or proposed changes

#### •Individual Home / Property Owner

View & examine the possibilities of your home renovation project before you build

#### •Set Designers / Event & Exhibition Planners

Shine the spotlight on your set / exhibit design with a compelling graphic representation

#### •Legal Professionals

Exhibit a convincing visual case for courtroom presentations

### Why Us...?

We are a boutique U.S. based firm passionate about our work & dedicated to providing the utmost in personal service & attention to detail for all of our valued clients. With our foundations in the architecture & construction industries we understand your needs & strive to bring your vision into reality.
